Monell Chemical Senses Center (Philadelphia, PA)
Working with Valentina Parma and Prof. Johan Lundström in the Cognitive Neuroscience Laboratory

Junior research manager – 02/2012 to 09/2012
Department of Neurology, Ospedale Santa Maria della Misericordia, Udine (Italy)

International Visiting student – 03/2011 to 05/2011
Erasmus Placement Fellowship
Neuroscience Center, University of Helsinki (Finland)
Working with Prof. J. Matias Palva

Education

PhD in Cognitive Neuroscience (magna cum lauda) – 11/2012 to 01/2017
International School of Advanced Studies (SISSA, Trieste, Italy)
Thesis “Contribution of perceptual and emotional skills to moral decision-making”, advisor Prof. Raffaella Ida Rumiati, Neuroscience and Society Lab

MA, Neuroscience (110/110) – 10/2009 to 10/2011
University of Trieste, Italy

BA, Biological Science – 10/2006 to 10/2009
University of Trieste, Italy

Teaching

Academic years 2020-2024: Lecturer of “**Olfactory perception in the healthy and diseased brain**”
Bachelor program in Psychology at the University of Klagenfurt (Austria) – 30 hours.

Academic years 2022-2023: Lecturer of “**SENSO-PERCEZIONI E PSICOPATOLOGIA**” Master
program in Clinical Psychology at the University of Padova – 21 hours.

Academic years 2019-2023: Supporting Lecturer (“Didattica Integrativa”) “Laboratories and practical
exercises”) “**Psicopatologia sperimentale e clinica – Experimental and clinical
psychopathology**” held by Prof. Claudio Gentili at the University of Padova

Academic year 2022-2023: Lecturer of “**PSICOBIOLOGIA E PSICOFISIOLOGIA FISIOLOGICA –
9 cfu**”. Bachelor program in Psychology at the University of Roma Tor Vergata (Italy) – 72 hours (9
CFU).

Academic years 2017-2019: Lecturer of “**Special chapters in neuropsychology: olfactory
cognition**” Bachelor program in Psychology at the University of Graz (Austria) – 30 hours.

Students' supervision

Academic years 2019-2023: **Co-advisor** of 16 master students (Andrea Castellani, Giorgia Pirrone, Ilaria Bresolin, Ludovica Natali, Nicole Andreini, Magda Bettio, Irene Mackowski, Denisi Cortese, Laura Ceccarelli, Sofia Pezzetti, Giada Marciano, Debora Venturelli, Jan Koivisto, Martina Bariselli, Massimo Poletti, Emine Gulden Ozcan) at the University of Padova.

Academic years 2017-2019: **Co-advisor** of 2 master students (Christoph Gufler, Sarah Gorkiewicz) at the University of Graz (Austria).

Academic year 2015-2016: **Co-advisor** of 1 bachelor student (Elisa Maria Lancini) at SISSA, Trieste, Italy.

Academic prizes/recognitions

02/2019 - "Polak Postdoctoral Travel Award" to participate to the XLI AChemS Annual Meeting

05/2018 - "International Communication" travel grant of the Austrian Research Association "Österreichische Forschungsgemeinschaft"

04/2016 - AChemS Student Travel Award to participate to the XXXVIII AChemS Annual Meeting

11/2012 - Ph.D. Scholarship, SISSA, Trieste, Italy (4 years)

02/2012 - Predoctoral Fellowship, Department of Neurology, Ospedale Santa Maria della Misericordia, Udine, Italy (8 months)

Research support

July, 2021 - *Postdoctoral fellowship from MIUR (Dipartimenti di Eccellenza DM 11/05/2017 n. 262)* – "Alexithymia and Social chemosignals: using social odors to facilitate emotional processing in alexithymic individuals" (€44K, 2 years)

October, 2019 - *Postdoctoral fellowship from MIUR (Dipartimenti di Eccellenza DM 11/05/2017 n. 262)* – "The role of the female hormonal status on processing of social olfactory stimuli" (€44K, 2 years)

December 2017 - Grant from the Naturwissenschaftlichen Fakultät (University of Graz), Role: Senior Investigator; Principal Investigator: Sarah Gorkiewicz "The role of social odor context cues in cognitive processing" (2700 euro)

Scientific services

Reviewer activities

Journal reviewer: Chemical Senses, PLOS one, Perception, i-Perception, Frontiers Psychology, Frontiers Psychiatry, Science Advances, Autism Research, Emotion, Cogent Psychology, Cerebral Cortex, Brain Science, International Journal of Psychology, Journal of Clinical Psychology

Guest Associate Editor for Frontiers in Systems Neuroscience for the Research Topic "*The Functional Connectome of Chemosensory Perception*"

Grant Reviewer: Czech Science Foundation, Czech Republic; Deutsche Forschungsgemeinschaft (DFG, German Research Foundation), Germany

Conference contributions

03/09/2022 – **Organizer and chair** of the Symposium "*Perturbing Chemosensation*" ECRO 2022 Annual Meeting, Sep 1st -3rd 2022, Berlin, Germany

20/07/2022 – **Co-Organizer and chair** of the Symposium "*Social connection & the nose: How human chemosignals contribute to wellbeing*" ESCAN 2022 Annual Meeting, July 19th -22nd 2022, Vienna, Austria

16/09/2021 – **Co-Organizer and chair** of the Symposium “*Can Chemosensory Perception be Represented in a Single Connectome?*” ECRO XXXI Annual Meeting, September 13-16, 2021, Cascais (Lisbon), Portugal

Invited Scientific talks

18/01/2023 - *Human chemosignals and affective disorders: how individuals with depressive and social anxiety symptoms perceive social olfactory cues*, Invited by Prof. Lorenzo Stafford, Department of Psychology, University of Portsmouth, UK

19/12/2018 - *The Psychophysics of Smell: Basic Research and Potential Applications*, Themenfeld Sensory Sciences (Inst. für Psychologie) at FAU Erlangen-Nürnberg, Germany

6/03/2018 - *Influence of social odor context on cognitive processes*, Sensorik Netzwerk Österreich Talks. Invited by Prof. Barbara Siegmund, Universität für Bodenkultur Wien, Austria

Scientific talks

17/09/2021 - *Olfactory meta-cognition in anxiety and depression: the different role of common and social odors*, AIP Lecce 2021 - Congresso 2021 della sezione di Psicologia Clinica e Dinamica

19/04/2018 - *Influence of social odor context on cognitive processes*, AChemS 40th Annual Meeting, April 17-22, 2018, Bonita Springs (Fort Myers), Florida

14/04/2018 - *Influence of social odor context on cognitive processes*. 13th Tagung der Österreichischen Gesellschaft für Psychologie. Linz (Austria)
