

Jeff Kiesner
Curriculum Vitae

Dipartimento di Psicologia DPSS
Università di Padova
Via Venezia
Padova 35131, Italy
Tel. 39-049-827-6577
E-Mail: jeff.kiesner@unipd.it

Born: June 18, 1964, Minneapolis MN

Degrees

- 1991 Bachelor in Psychology, University of Oregon.
- 1993 Master in Psychology, University of Oregon.
- 1997 Ph.D. in School Psychology, University of Oregon.

Current Positions

2014 - present	Associate Professor	University of Padova
2002 - 2014	Assistant Professor	University of Padova
1999 - 2014	Adjunct Professor	New York University (Florence, Italy Campus)

Past Positions

1997-1999	Adjunct Professor	University of Urbino
1997-1999	Adjunct Professor	University of Torino
1998-1999	Adjunct Professor	University of Parma
1999-2001	Adjunct Professor	Università Vita Salute, San Rafael Hospital
1999-2002	Research Fellow	University of Padova

Classes Taught

Developmental Psychology
Social Development
Psychology of Adolescence
Prevention of Risk and Promotion of Wellness with Youth
Research Methods in Psychology
Multivariate Data Analysis
Data Analysis Strategies for Longitudinal Data
Advanced Social Psychology and Social Neuroscience

Research Interests

Development of affective disorders from adolescence to adulthood
Psycho-endocrinology of depression during adolescence and adulthood
Roles of parents and peers in affective and social development
Development of antisocial behavior and substance use during adolescence

Professional Association Affiliations

American Psychological Association
Association for Psychological Science
Society for Research on Child Development

Roles in Professional Associations

Elected Executive Committee Member: European Association for Research on Adolescence

Reviewer

Archives of General Psychiatry
Biological Psychology
Developmental Psychology
European Journal of Social Psychology
International Journal of Behavioral Development
Journal of Abnormal Child Psychology
Journal of Adolescence
Journal of Prevention & Intervention in the Community
Journal of Research on Adolescence
Journal of Personality and Social Psychology
Journal of Social and Personal Relationships
Journal of Youth and Adolescence
Merrill-Palmer Quarterly
Molecular Psychiatry
Psychology of Addictive Behaviors
Social Development

Conference Presentations

Kiesner, J., & van Iersel, K. (2014). The impact of menstrual-cycle related physical symptoms on daily activities and psychological wellbeing among adolescent girls. Paper presented at the 2014 Biennial meeting of the Society for Research on Adolescence, Austin, Texas.

Kiesner, J., De Broi, V., & Silvestri, R. (2008, May). *The combined influence of group selection and group membership*. Paper presented at the 11th Biennial meeting of the European Association for Research on Adolescence, Torino, Italy.

Kiesner, J. (2008, May). *Bullying and victimization: Development, risk, norms, and individuals*. Symposium Discussant at the 11th Biennial meeting of the European Association for Research on Adolescence, Torino, Italy.

Kiesner, J., & Poulin, F. (2007). *Parental rules, peer contexts and substance co-use with peers: Mediating and moderating effects on individual substance use*. Paper presented at the meeting of the Society for Research on Child Development, Boston, Massachusetts.

Pedersen, S., Poulin, F., Kiesner, J., & Dishion, T. J. (2006). *A bimonthly analysis of friendship network instability and adolescent substance use*. Paper presented at the Biennial Meeting of the Society for Research on Adolescence, San Francisco, California.

Boislard, M. A. P., Poulin, F., Kiesner, J., & Dishion, J. (2006). *Psychosocial correlates of risky sexual behaviors of Italian and Canadian adolescents*. Paper presented at the Biennial Meeting of the Society for Research on Adolescence, San Francisco, California.

Kiesner, J., Poulin, F., Dishion, T. J., & Pastore, M. (2006). *Monitoring adolescents: The interplay between problem behavior, disclosure and parenting*. Paper presented at the 10th biennial meeting of the European Association for Research on Adolescence, Antalya, Turkey.

Kiesner, J., & Vallese, I. (2004, July). *Old friends, new friends, and parents: Their presence at substance-use initiation*. Paper presented at the 18th biennial meeting of the International Society for the Study of Behavioral Development, Ghent, Belgium.

Kiesner, J. (2003, August). *Antisocial behavior, peer rejection and depressive symptoms: Understanding age and gender effects*. Paper presented at the XIth European Conference on Developmental Psychology, Milan, Italy.

Kiesner, J., Maass, A., & Cadinu, M. R. (2002, July). *Aggression, peer influence, and racial prejudice in adolescence: Two longitudinal studies*. Paper presented at the XV World Meeting of the International Society for Research on Aggression, Montréal, CA.

Kiesner, J. (2002, August). *Peer relations in and out of school: Different contexts for group influence and peer status*. Paper presented at the 17th biennial meeting of the International Society for the Study of Behavioral Development, Ottawa, CA.

Kiesner, J. (2002, September). *Using multiple peer relationships to understand individual behavior*. Paper presented at the 2002 conference of the European Association for Research on Adolescence, Oxford, England.

Kiesner, J. (2002, September). *Biological perspectives on adolescent adjustment*. Symposium Discussant at the 2002 biennial meeting of the European Association for Research on Adolescence, Oxford, England.

Kiesner, J., & Cadinu, M. R. (2001, April). *Peer Relations Across Contexts: Individual-Group Homophily and Popularity In and Out of School*. In F. Poulin & J. Kiesner (Chairs). Symposium conducted at the biennial meeting of the Society for Research in Child Development, Minneapolis, MN.

Kiesner, J. (2000, December). *Peer relations across settings: Measurement issues and relations with individual adjustment*. Paper presented at the Peer Research Workshop, Örebro, Sweden.

Kiesner, J. (2000, May). *The co-occurrence of conduct problems and depressive symptoms and its relation to stable peer rejection*. Paper presented at the biennial meeting of the European Association for Research on Adolescence, Jena, Germany.

Bonino, S., Cattelino, E., & Kiesner, J. (2000, May). *Adolescents' risky driving and lifestyles*. Paper presented at the biennial meeting of the European Association for Research on Adolescence, Jena, Germany.

Kiesner, J., & Cadinu, M. R. (2000, March). *Peer groups and moderators of risk for group influence on delinquency*. Paper presented at the biennial meeting of the Society for Research on Adolescence, Chicago, IL.

Cattelino, E., Bonino, S., & Kiesner, J. (1999, September). Self perception in adolescents with different patterns of substance use. In S. Bonino, & A. E. Jackson (Chairs), Challenge, risk and emotional factors in self-development in adolescence. Symposium conducted at the European Conference on Developmental Psychology, Island of Spetses, Greece.

Kiesner, J., & Cadinu, M. R. (1999, April). *Peer identification and risk for antisocial behavior*. In T. J. Dishion (Chair), The ecology of deviant peer clustering in adolescence. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Albuquerque, NM.

Kiesner, J. (1998, November). *ADHD in Italian university students*. In Schaughency, E. (Chair), ADHD symptoms among university students: A cross-national examination. Symposium conducted at the annual meeting of the Association for the Advancement of Behavior Therapy, Washington D.C.

Schaughency, E., Du Paul, G. J., Weyandt, L., Tripp, G., Ota, K., & Kiesner, J. (1998, July). *Attention-Deficit/Hyperactivity Disorder symptoms among college students: Factor structure and prevalence across three countries*. Paper presented at the World Congress of Behavioral and Cognitive Therapies, Acapulco; Mexico.

Kiesner, J., & Dishion, T. J. (1996, November). *The effects of parental homework monitoring on school achievement and antisocial behavior of high risk middle school students*. Paper presented at the annual meeting of the Association for the Advancement of Behavior Therapy, New York, NY.

Compton, P., Grossenbacher, P., Kiesner, J., & Posner, M. (1992). *Attention and the Control of Reading*. In M. I. Posner (Chair), Symposium on Attention in Learning and Development. Symposium conducted at the annual meeting of the Western Psychological Association, Portland, Oregon.

Posner, M., Kiesner, J., Thomas-Thrapp, L., McCandliss, B., Carr, T. H., & Rothbart, M.K. (1992). *Brain Changes in the Acquisition of Literacy*. Paper presented at the annual meeting of the Psychonomic Society, New Orleans, Louisiana.

Invited Colloquium

Kiesner, J. (2014). *The Menstrual Cycle and Affective Development Among Adolescent Girls: An Integrative Developmental Model of Menstrual-Cycle Influence*. Department of Psychology, Arizona State University.

Kiesner, J. (2014). *Individual differences in menstrual-cycle response: Implications for social and affective development*. Department of Psychology, University of Texas at Austin.

Kiesner, J. (2013). *Individual response to the menstrual cycle: Implications for affective and behavioral development*. Department of Psychology, University of New Orleans.

Kiesner, J. (2010). *Individual differences in menstrual-cycle-related affective symptoms: Proposed implications for the development of anxiety and depression from adolescence to adulthood*. Department of Psychology, University of Quebec at Montreal.

Kiesner, J. Maass, A., & Cadinu, M. (2001). *Predictors of Prejudice Development During Adolescence*. Department of Psychology, University of Kent at Canterbury.

Kiesner, J. (2001). *Peer relations and social adjustment during adolescence*. Department of Psychology, Università di Trieste.

Kiesner, J., Maass, A. (1999). *Juvenile prejudice: Who is at risk*. Department of Psychology, Griffith University, Gold Coast, Queensland Australia.

Grants

University of Padova Funding for Innovative Research 2007: (€19,600)

Linking Physical Symptoms with Depressive Symptoms and Steroid-Hormone Metabolites for Understanding PMS/PMDD.

PRIN (“Research Programs of Significant National Interest”) 2005: (€9,800)

The development of prejudice during adolescence: The role of parents, peers, and individual adjustment.

National Institute on Drug Abuse (co-PIs: Dishion & Poulin) 2002-2006: (\$78,000)

Understanding and Preventing Adolescent Drug Abuse.

University di Padova Early Career Support 2002-2003: (€10,000)

Dynamic Peer Relations and the Development of Antisocial Behavior and Substance Use.
